COMMENTS: Christopher Petite request and states the following: Throughout his campaign he tested positive for COVID 19 and was placed on quarantine. It was a very stressful time due to the fact that he was also not able to work and provide for his family as needed. Extremely stressful. A month or so later his mother tested positive for Covid 19. She had a really difficult time recovery and was hospitalized. She was finally sent home with oxygen. He and his sister successfully nursed her back to health. In the process of his Campaign he had to endure very challenging circumstances. Though he was successfully elected as Council person for District 3. He regrets that in the process of getting documents submitted he failed to timely file his reports.

To whomever this may concern,

This letter is in reference to the July 11, 2020 Election.

My name is Christopher Petite candidate for Councilman, District 3, City of Natchitoches. As relating to the late fee of \$280 for failure to timely file a campaign finance disclosure report.

I submit this document in hopes of receiving a waiver. Throughout my campaign I tested positive for COVID 19 and was placed on quarantine. It was a very stressful time due to the fact that I was also not able to work and provide for my family as needed. Extremely stressful. A month or so later my mother tested positive for Covid 19. She had a really difficult time recovery and was hospitalized. She was finally sent home with oxygen. My sister and I successfully nursed her back to health. In the process of my campaign I had to endure very challenging circumstances. Though I was successfully elected as Council person for District 3. I regret that in the process of getting documents submitted I failed to timely file my reports.

I humbly ask for a waiver to resolve this issue.

Thanks!

Christopher Petite
